FIXING FOR WAR. President of Nicaragua Concentrating Troops.

IÇorrespondence of Associated Press.]
Managua, Nicaragua, May 30.—President Zelaya, of Nicaragua, is again concentrating a large number of troops, many cannon and a big quantity of military supplies in the departments of Chinandega and Leon, along the Pacific coast, as if in anticipation of a war with Salvador, which might commence about the middle of June or early in July. The president and his cabinet have about completed arrangements to enable them to leave this city in a few days and reside for about one month in Chinandega

to leave this city in a few days and reside for about one month in Chinandega and Leon, the governmental departments accompanying them. But, this fact, it is argued, is no reason why 2,000 or more soldiers, should be concentrated in those civil departments.

Many refugees have lately arrived in this country from Salvador and the influx continues. It is hinted that probably it is intended to organize a body of Salvadoreans, procure rifles and cannon from Nicaragua and in conjunction with Nicaraguan soldiers, make an effort to overthrow the government of Salvador.

Such a war would involve Nicaragua, Salvador and most likely Guatemaia and Costa Rica.

It is suggested that President Zelaya is getting ready to regist a possible attack from Salvador, but the influx of so many immigrants into Nicaragua from Salvador by beliefer.
